Cy. No. 2

~~CONFIDENTIAL~~

25X1A

MEMORANDUM FOR: Chairman, Atomic Energy Commission  
Assistant to the Secretary of Defense (Atomic Energy)

SUBJECT: [REDACTED] Atomic Energy Intelligence

25X1C

1. We believe that in order to carry out our planning for future atomic energy intelligence activities, particularly in connection with the technical programs being operated [REDACTED] in support of atomic energy intelligence, a meeting at the earliest possible time of representatives [REDACTED]

25X1C

[REDACTED] is essential.

25X1C

2. We suggest as an agenda the discussion of:

25X1A

a. as much of the [REDACTED] program agenda previously submitted as can be carried out under present directives and authorizations;

b. data resulting from all Soviet explosions to the extent permitted by the interchange of correspondence between the Chairman, Atomic Energy Commission and the Director of Central Intelligence, pursuant to Section 142e of the Atomic Energy Act.

25X1C

3. We suggest this meeting be held [REDACTED] during the week of 24 January 1955.
